### **Operations Summary**

- The rigs have worked for 6 customers on the UKCS since their launch in 2011
- The rigs have drilled 5 wells and 2 sidetracks (with 4 geological successes) as well as performing 2 well abandonments
- Both units are operating successfully, however, we've had more operational issues than we like with WilHunter
- Focus going forward
  - Evaluate all aspects of the operations
  - Investigation into root cause of significant incidents
  - Continued high focus on competency and training
  - Review of operational procedures and maintenance system
- Lessons learned
  - Close proximity to established supply chain making follow-up easier
  - Continuous improvement is an integral part of our business management system

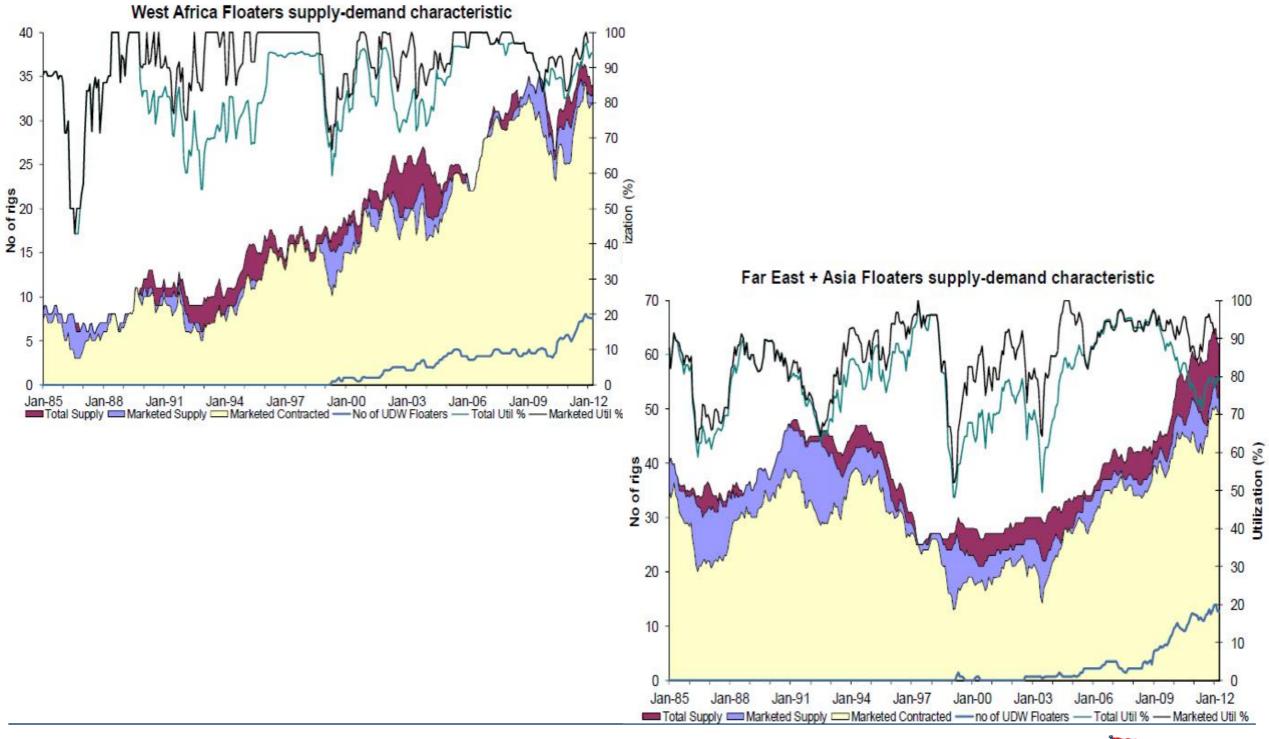

# 4. Market Outlook

#### The UK Market is Tight...

#### ...but int'l markets also improving – limited influx going forward

### The UK Market is sold out for 2012 and most of 2013
